

Instructions to draw a polygon shape using the below link

DO NOT contact NIFC for any support issues. Please email at FPGrants@fire.ca.gov

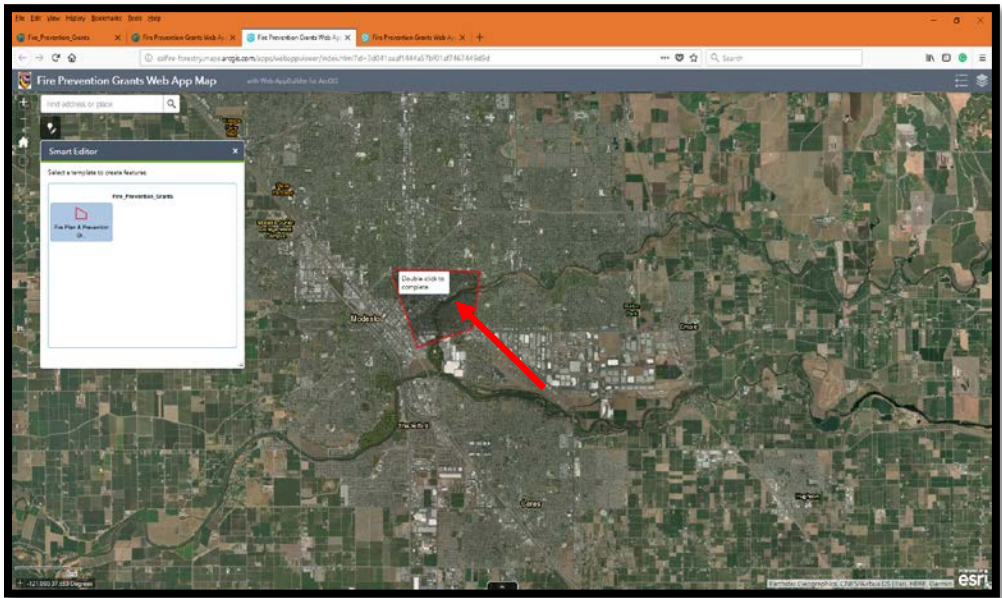

- Click the link below to draw a polygon shape
 - <http://www.arcgis.com/apps/webappviewer/index.html?id=3d041aaaf1444a57bf01af7467449d9d>
- Please Log in with your NIFC/Organizational AGOL credentials.

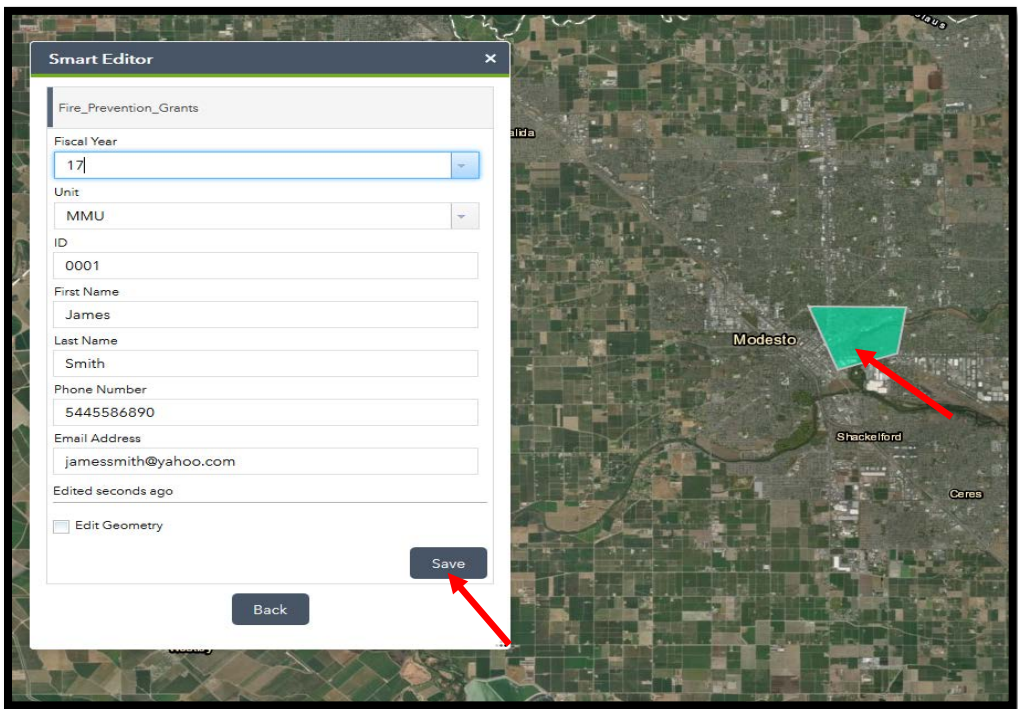

- Click the "Fire Plan & Prevention Grants" to draw a polygon covering the entire area your proposed grant will cover.

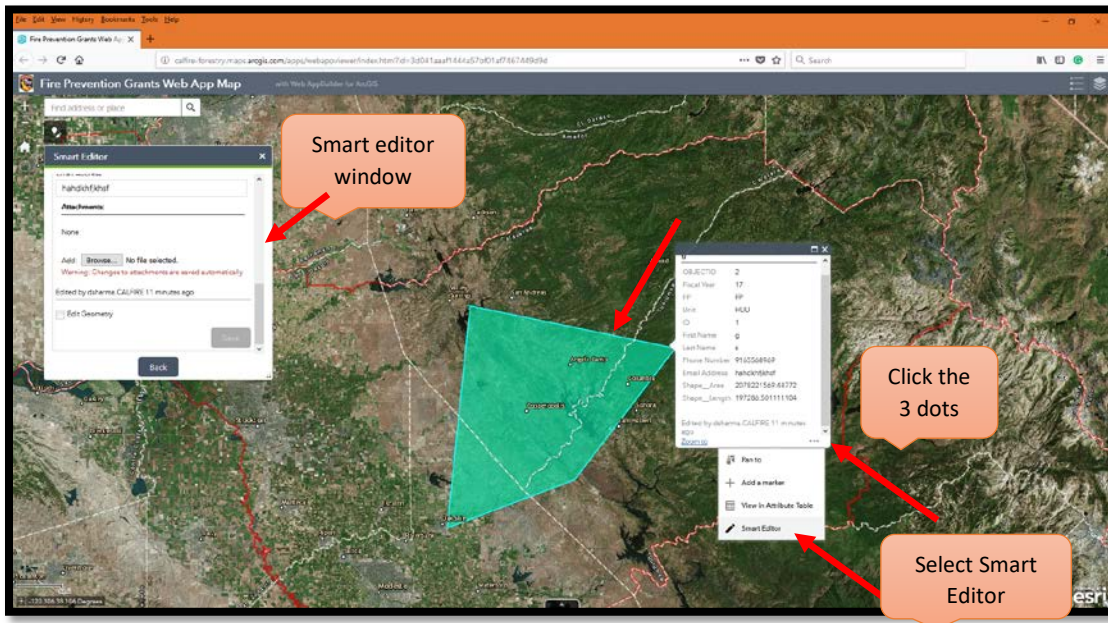

- Draw the polygon and “double click” to finish the polygon in the projected area

- Enter all the required fields shown below

- To make edits, select the polygon and make sure smart editor window is open or click the outer line of the polygon, and select smart editor to make changes or add an attachment (i.e. if your agency has a “zipped” GIS shape of the proposed project, attach it here).

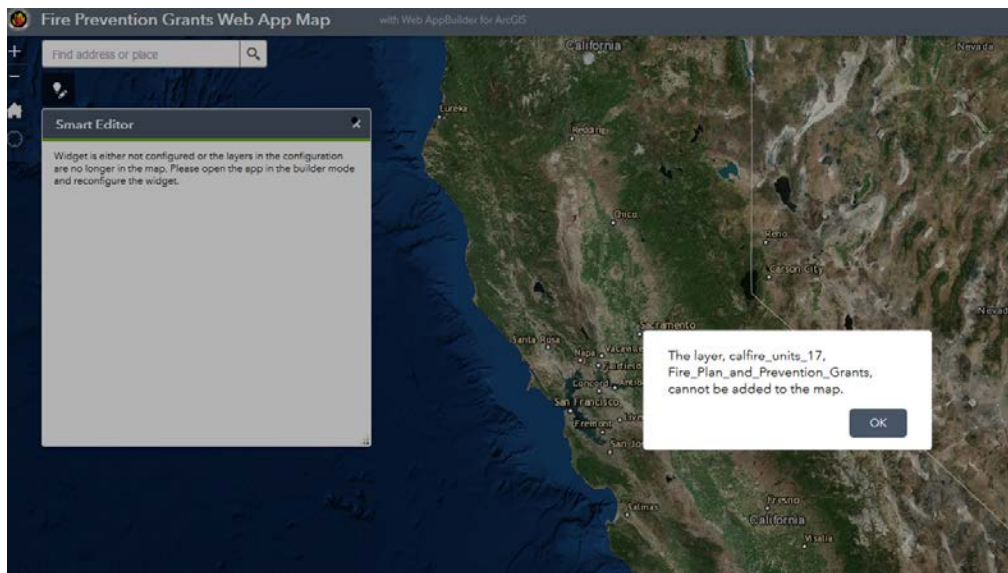

- Hit the save button
- The user should be able to edit the information entered.

DO NOT contact NIFC for any support issues!! For any further questions contact FPGGrants@fire.ca.gov

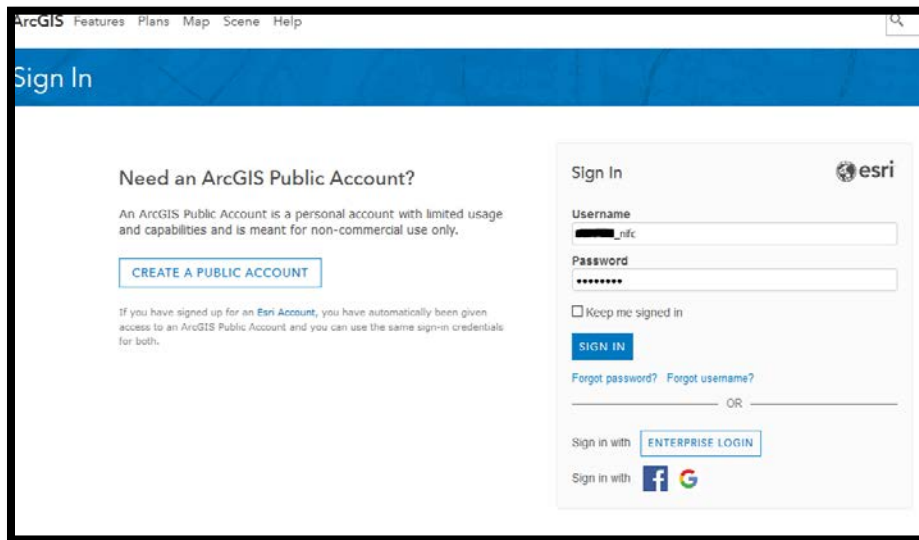

Please Note:

If you get below screen with instructions/error, please **check** if you have sent an email to FPGGrants@fire.ca.gov to be added in the Fire Prevention Grant group **AND** you have completed the process to accept the invitation shown below on page 4.

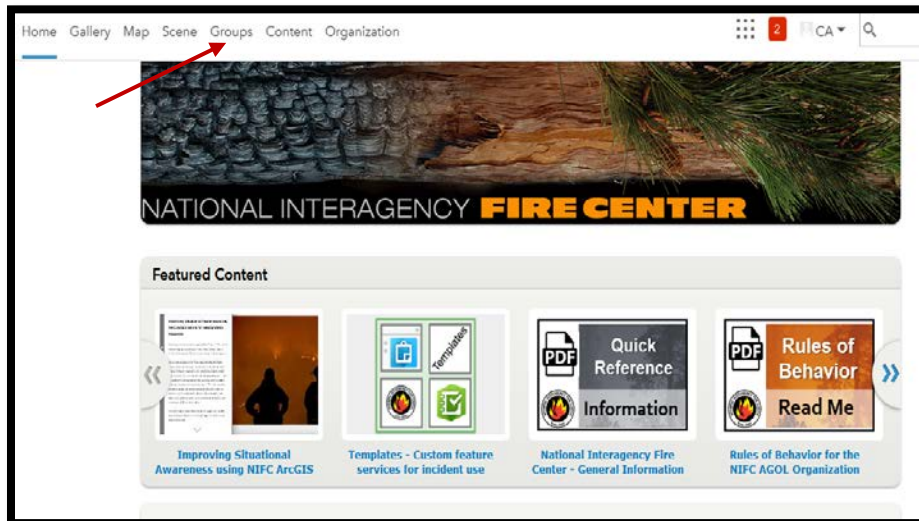

Instructions to accept the invitation

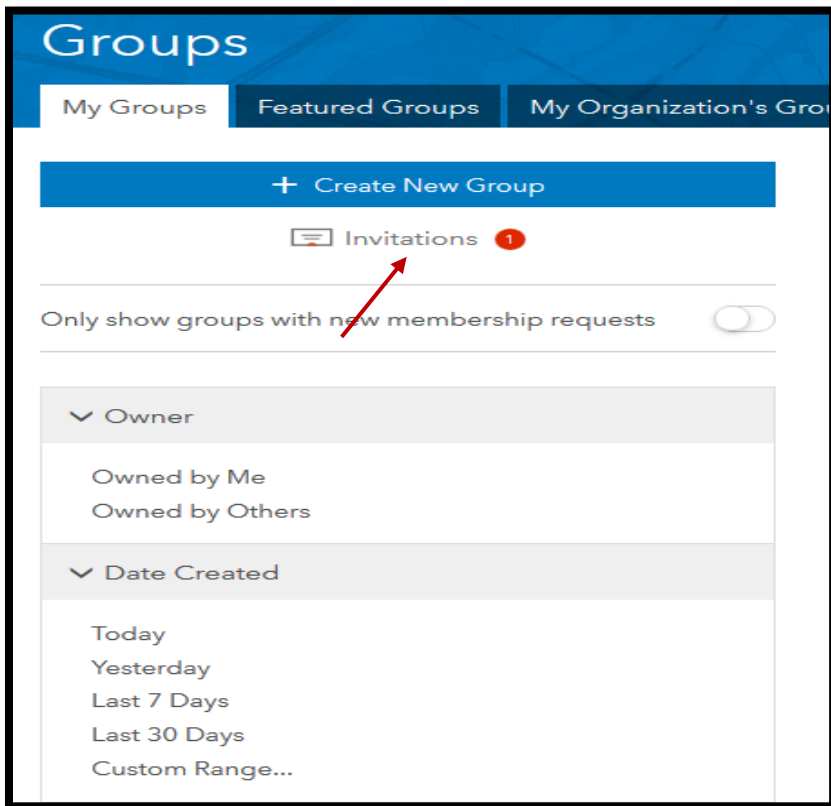

- Log in to your NIFC account using below link
 - <http://www.arcgis.com/apps/webappviewer/index.html?id=3d041aaaf1444a57bf01af7467449d9d>

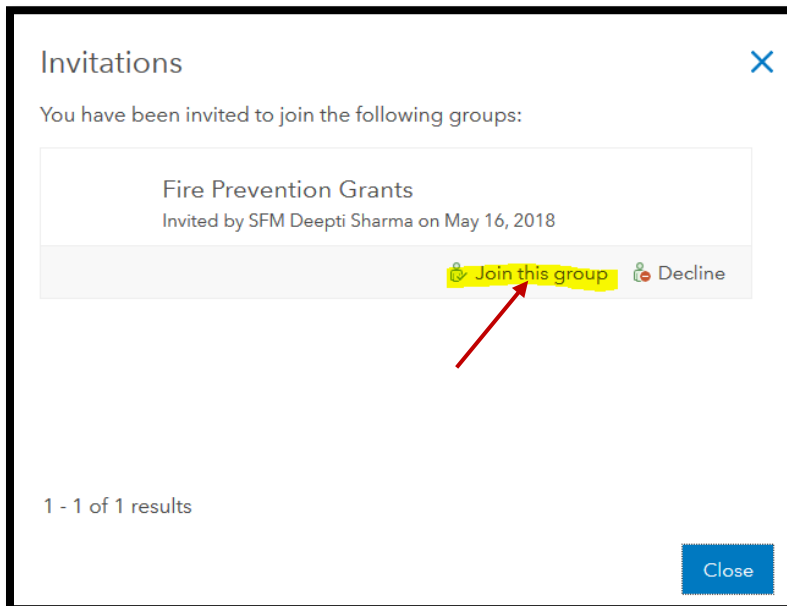

- Click "Groups" as shown below

- Click “Invitations

- Click on “Join the group” and then close.

DO NOT contact NIFC for any support issues!! Please contact FPGrants@fire.ca.gov for any further question or concerns.
