RE: Draft Environmental Impact Report (DEIR) Prepared for the Draft Management Plan for the California Department Of Forestry and Fire Protection's (CDF) Historic Buildings and Archaeological Sites

Dear Mr. Abeyta:

The Department of Forestry and Fire Protection (CDF) is the Lead Agency under the California Environmental Quality Act (CEQA) for the above-referenced project. Pursuant to Sections 5024 and 5024.5 of the Public Resources Code and Executive Order W-26-92, CDF has worked in consultation with your representatives throughout the process of the development of the Draft Management Plan (Plan) for CDF's Historic Buildings and Archaeological Sites and the Draft Environmental Impact Report (DEIR). We requested your consideration, review, and specific comments on the Draft Plan during the Scoping Process, and on the Administrative DEIR. Your directions on the development of the Draft Plan and the Administrative DEIR have been carefully followed, and your comments have been fully incorporated.

On behalf of CDF, I would like to thank you for the time and efforts you and your staff have invested in this undertaking. Following receipt of public comments, we will consult with you and your staff before issuing a final environmental document. Please contact me at (916) 322-3522 if you have any questions.

Sincerely,
