

JACKSON DEMONSTRATION STATE FOREST

Camping Info

Seasonal camping on the Jackson Demonstration State Forest (JDSF) is one of the most popular recreational activities on the forest. There are 23 campgrounds on the forest with each campground ranging in size from 1-17 campsites and the campgrounds are generally open between Memorial Day and Labor Day of each year. Each campsite is available by first-come, first-served basis and can accommodate a maximum of 8 people. The use of a campsite requires the camper to self-register and payment of a camping fee. Campsites are primitive and have no potable water, but most offer a picnic table and campfire ring. Campgrounds include access to an outhouse; however there are no other utilities available. Well-behaved pets on a leash no longer than 6 feet are welcome. Pet and animal owners are expected to pick-up after their animals.

Campground Areas

JDSF offers two major camping areas along Highway 20 between Willits and Fort Bragg:

- Camp 20 is near Chamberlin Creek around mile marker 17 and has three campgrounds with multiple campsites: Dunlap (17 sites); Big River (5 sites) and Horse Camp (8 sites, open to Equestrian Campers Only). Iron Rangers are located at Dunlap and Big River. Camp 20 also includes the Camp 20 and Dogwood day use areas.
- Camp One is accessed at mile marker 5.85 via JDSF Road 350, and also has a day use area that includes the popular “Egg Station” day use area. Camp One has a total of 19 campgrounds associated with this area. Campgrounds associated with Camp One include Redtail (10 sites; 6-10 campsites are open to equestrian campers only), Wagon (5 sites), Roundhouse (3 sites), Tin Can (2 sites) and numerous one campsite campgrounds. Iron ranger is located at the Camp One Host site location.
- Tilley Campground is available to groups of between 10-65 people only. Tilley Campground is the only campground that can be reserved in advance by contacting JDSF office at (707) 964-5674. The group camp is available at \$120/night.

- There are no discounts on the fees offered.
- Maximum time allowed at each campsite is 14 days. Campers limited to 30 camping days total per year.
- Campsite checkout is 12 noon.
- Campfires are allowed in designated campfire rings provided that they are attended to at all times and fully extinguished if unattended.

3 Easy Steps to Self-Register for Campsites

1. Grab a Campsite Registration envelop as you enter the campground and find an unoccupied site that you would like to stay in;
2. Complete the Campsite Registration envelop, place cash or check (payable to CALFIRE) in envelope, seal, and insert into the Iron Ranger;
3. Read the State Forest Rules on the back of the Camping Permit (aka. Campsite Registration envelope detachable stub) and then clip it to the numbered post in front of your campsite. When you have completed your stay, please take the stub off the post so the next camper knows the campsite is available.
