Please note that the Timber Sale Agreements are in draft form as CAL FIRE is reviewing them and the existing language may be modified.

North Fork Spur End 2016

The minimum bid rate per thousand board feet for redwood is \$525. The price has been fixed at \$40.00 per thousand board feet for Douglas-fir and all other whitewoods (grand fir/western hemlock). Group selection and commercial thinning harvests will be implemented. Timber volume within the sale area has been estimated by a variable plot timber cruise within groups and a 100 percent tally of trees in areas of thinning. Sale acreage has been determined from the map and trees selected for harvest have been marked with blue paint in areas of thinning and those within group boundaries identified with a combination of yellow paint and black/red stripe flagging.
