If declared the successful bidder, \_\_\_\_\_ (I or we) agree to execute a contract of sale and furnish a satisfactory bond, certificate of deposit, or irrevocable letter of credit, in the sum of twenty-five thousand dollars (\$25,000.00) within 15 working days from the receipt of notice of the acceptance of bid. It is further agreed that if the contract of sale is not executed and a bond or approved security furnished within the time specified, then, in view of the difficulty of estimating the actual damages which will be sustained thereby, the deposit of the successful bidder may be retained by the State as liquidated damages and not as a penalty.

It is understood that a bid of less than a minimum acceptable price will invalidate this bid as a whole. Bids will be evaluated on the basis of the amount bid for redwood sawlogs required to be removed by conditions of the sale.

It is understood that pursuant to Section 4650.1, Public Resources Code, and Sections 1510-1521, Title 14, California Code of Regulations, the timber in this sale will not be manufactured outside of the United States or substituted for timber exported from private timberlands under control of the bidder's company, or affiliate\*. \_\_\_\_\_ (I or We) have not sold unprocessed timber harvested from private timberlands and exported it into foreign commerce from California within one year prior to the bid date and agree to refrain from that activity for one year after contract termination.

Transmitted herewith is a certified check, cashier's check, bank draft, or money order in the sum of fifty thousand dollars (\$50,000.00) made payable to the California Department of Forestry & Fire Protection as required by the Notice of Sale.

Very truly yours,
