November 1, 2013

TO: All Licensed ('A', and 'C-Restricted') and 'B-Limited' Timber Operators

It is time to renew your Licensed/Limited timber operator's license. Due to budget constraints, and as a cost savings to the State, renewal forms for your 2014-2015 Licensed/Limited Timber Operator (LTO) license will not be mailed out. To obtain your renewal form, please visit our CAL FIRE LTO web page at:

http://calfire.ca.gov/resource_mgt/resource_mgt_forestpractice_ltos.php. If you do not have access to the Internet or a printer, please contact my office to obtain your renewal form, which can be sent via fax, regular mail, or email.

Renewal applications must be post-marked no later than December 1, 2013, to avoid the additional late renewal fee.

- All 'A' and 'C-Restricted' LTO license renewals are \$100.00, if post-marked by December 1, 2013, and increase to \$125.00 for those post-marked December 2, 2013, or later.
- All 'B-Limited' license renewals are \$50.00, if post-marked by December 1, 2013, and the fee increases to \$60.00 for those post-marked December 2, 2013, or later.

Please remember the completed, original signed application must be returned to my office; copied, faxed, or electronically submitted versions of the application cannot be accepted. Return your renewal packet to my office at the address listed above; which can also be found on the top of all application forms. Renewal fees must be made in the form of a personal or cashier's check, or money order, made payable to: CAL FIRE. If you recall your LTO license number, please write it on your check or money order. If you are renewing an 'A' LTO license, remember to include a copy of your current proof of insurance, or have your agent send it to me directly.

Please read the instructions carefully and complete every question on the application. Incomplete or inaccurate applications will delay the processing and issuance of your license.

For further information or forms, please contact me at: (916) 653-7211 or Rebecca.Confer@fire.ca.gov; or Donna Stadler at: (916) 653-5305 or Donna.Stadler@fire.ca.gov. Thank you for your cooperation.

Sincerely,

Rebecca A. Confer
