RSVP is required- Space is limited. Please contact the Soquel Demonstration State Forest, California Department of Forestry and Fire Protection, 4750 Soquel-San Jose Road, Soquel, CA 95073-9611, by phone at (831) 475-8643 or by email to: soquel.stateforest@fire.ca.gov before October 2, 2014 to register. SDSF Forest staff will confirm your registration. Public registration for the tour will be on a first come, first served basis. In your response, please provide the following information: if you are able to drive your 4-wheel drive or high-clearance all-wheel drive vehicle for carpooling; and if so, how many passengers your vehicle can accommodate.

What to Bring: Please bring a sack lunch and water. Wear long pants and comfortable hiking shoes to offer some protection against poison oak, ticks, thorns, and bees which are all common in the forest. Please come prepared for changes in weather (hat, sunscreen, raingear). Please be prepared to be away from your vehicle for 5 hours. There will be a portable toilet available at one of the field trip stops. For additional information and registration, please contact the forest office by phone or email.

ADA Notice: Pursuant to the Americans with Disabilities Act, individuals who, because of a disability, need special assistance to attend or participate in a SDSF Advisory Committee meeting, may request assistance from CAL FIRE at the above number.

The Mission of the Soquel Demonstration State Forest Advisory Committee is to provide advice/recommendations to:

- The Director of the California Department of Forestry and Fire Protection (CAL FIRE) on matters related to planning for future management of the Soquel Demonstration State Forest (SDSF).
- Act as a critical link between the Department and the community in this planning effort, helping to generate information and opinions from the community.
- Advise the CAL FIRE Director on the update of the General Forest Management Plan (GFMP) for the SDSF which directs long-range development and management, and provides for optimum use and natural resource protection.

Please note that times for agenda items are approximate. Items may take more or less time or be taken in a different order.
