5. The following are limitations or requirements for timber operations conducted under a Less Than Three Acre Conversion Exemption (Notice, Notice of Conversion Exemption, Conversion Exemption):

- A. Timber operations shall comply with all other applicable provisions of the Forest Practice Act and regulations, county general plans, zoning ordinances, and any implementing ordinances; copies of the state rules and regulations may be found on CDF's Web Page on the Internet at <http://www.fire.ca.gov>.
- B. All timber operations shall be complete within one year from the date of acceptance by the Director.
- C. All conversion activities shall be complete within two years from the date of acceptance by the Director unless under permit by local jurisdiction. Failure to complete the conversion requires compliance with stocking standards and stocking report requirements of the Act and board regulations.
- D. The timber operator shall remove or dispose of all slash or woody debris in accordance with 14 CCR 1104.1 (a) (2) (D). The timberland owner may assume responsibility for the slash treatment, provided the landowner acknowledges in writing to the Director such responsibility at the time of submission of this notice. The specific requirements shall be included with the acknowledgement.
- E. Timber operations shall not be conducted during the winter period unless a winter operation plan or in lieu practices required by Forest Practice regulations are specified within (attached to) this Notice.
- F. No timber operations are allowed within a Watercourse and Lake Protection Zone unless specifically approved by local permit (e.g. county, city).
- G. No timber operations shall be conducted until the Director's notice of acceptance is received and a valid copy of this Notice and the Director's acceptance shall be kept on site during timber operations.
- H. No sites of rare, threatened or endangered plants or animals or species of special concern shall be disturbed, threatened, or damaged.
- I. No timber operations are allowed on significant historical or archeological sites.
- J. Within one month of the completion of timber operations, including slash disposal, the timberland owner shall submit a Work Completion Report to the Director.

6. I, _____, declare as the authorized designee of the County Board of Supervisors that this conversion exemption is in conformance with all county regulatory requirements, including public notice. **(If the county has authorized a designee this item MUST be completed.
